Assembling Your Shield

Leave protective film
on until you are ready
to connect them.

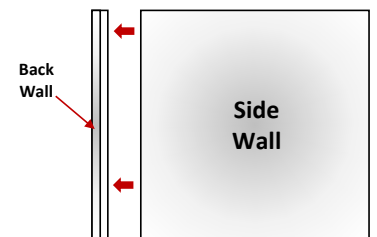

DO NOT use paper
products to clean
the Shields.

Stand the Back wall upright. Insert the Corner Connectors. (This can be done by laying the Back Wall flat, but it must be on a soft surface to avoid scratching the plastic surface)

Stand the Back wall upright. Place a board or book under the Back Wall. Insert the Corner Connectors. (This can be done by laying the Back Wall flat, but it must be on a soft surface to protect the plastic surface)

Insert the Side Walls into the Back Wall with Corner Connectors. For use with Privacy Shields use supplied Clips on Side Walls to attach Insert.
